

AGENDA

**Gel Polymer Treatments for
Water Shut-off in Kansas
April 1, 2008**

11:45 am - 1:00 pm

LUNCH

12: 30 pm - 1:30pm

REGISTRATION

1:30 pm - 2:00 pm

*Performance Trends from More Than 200
Polymer Gel Water Shut-off Treatments in the
Kansas Arbuckle Formation.*

Ben Turner, TIORCO, Inc.

2:00 pm - 2:30 pm

*Controlling Water Production with Gel-Polymer
Systems.*

Paul Willhite, TORP

2:30 pm - 3:00 pm

*What's New in Polymer Technology? New
Tools to Help Get the Most Oil & Gas from
Your Wells.*

Randy Prater, Polymer Services

3:00 pm - 3:15 pm

15 MINUTE BREAK

3:15 pm - 3:45 pm

*Mechanisms for Gel Treatment in the Arbuckle
Formation: Do Pressure and Volume Make a
Difference?*

Dan Pender, Gel Technologies, Inc.

3:45 pm - 4:15 pm

*Disproportionate Permeability Reduction in
Arbuckle and Mississippian Reservoirs.*

Paul Willhite, TORP

4:15 pm - 4:30 pm

Review and Discussion

**The University of Kansas

Presents

**Gel Polymer
Treatments for
Water Shut-off
in Kansas**

April 1, 2008

POLYMER GEL TECHNOLOGY FOR THE OIL AND GAS INDUSTRY

Workshop

The Kansas Region of PTTC will hold a "Lunch 'n Learn" workshop titled "**Gel Polymer Treatments for Water Shut-off in Kansas**" on Tuesday April 1, 2008 at the Broadview Hotel, 400 West Douglas in downtown Wichita, Kansas. The purpose of this workshop is to provide attendees with information on gel systems, candidate well selection, treatment design and case histories presented by service companies and research personnel currently active in Kansas. Join us for lunch at 11:45 then attend the afternoon workshop. This event will provide an opportunity for attendees to visit with the service providers.

Presentation Topics

Controlling water production in Kansas reservoirs.

Case histories of Gel Polymer treatments for water shut-off.

New techniques and tools for water production control using polymer.

Applications to Arbuckle and Mississippian formations in Kansas.

Who Should Attend

The workshop will be of interest to operators, managers, engineers, geologists, service providers and regulators.

Continuing Education

Many attendees are using workshop attendance to fulfill continuing education requirements to maintain professional licenses. We will supply **Certificates of Attendance** upon request. Please check the box on the registration form if you would like a certificate.

Registration

A fee of \$110.00 will be charged for registration, which covers a workshop manual, lunch, and refreshments. Pre-registration by mail, phone, fax, or e-mail is encouraged, or you may register on-line at www.torp.ku.edu. An open registration will be held at the door on Tuesday from 12:30pm - 1:30pm. Cancellations will be accepted until March 25, 2008.

Location and Lodging

The workshop will be held at the Broadview Hotel, 400 West Douglas in Wichita, Kansas. Call 316-262-5000 to make reservations.
